Aligned Instructor Recertification Courses

Instructor Recertification Courses / Process : Many of you have been inquiring about the AHA's new process of Instructor Recertification courses. AHA now wants the Training Center (LifeSavers) to watch you teach a course in order to renew you every 2 years. So far, we have been requesting that you come and co- teach a course with us and it has been going great. We also spend about 30 additional minutes together to review other pertinent information. Please be sure to email me at least 2 months prior to your renewal date to assure scheduling and completion. (reminder – it is your responsibility to keep track of your Instructor expiration date.)
